See Rear Cover for Details

\* Trade Mark

**The COLE NURSERY Co.**

*"Everything That's Good and Hardy"*

Painesville, Ohio  
Phone Elmwood 2-3121

# TERMS and CONDITIONS OF SALE

**PRICES** are F.O.B. nursery at Painesville, Ohio. Any boxing or balling necessary is charged at near cost. Prices in this list are subject to market changes and cancel those in all previous price lists.

**TERMS.** 1% 10 days; net 30 days to those having established credit with us. Cash orders receive 2% off. Be sure to include enough to cover packing, so as to eliminate C. O. D. costs. Overpayments returned promptly. C. O. D. orders must be accompanied by at least 1/3 of the amount of the order.

**CLAIMS** for rejections, shortages, or other reason will be entertained only if made within 5 days after arrival of goods.

**GUARANTEE.** We guarantee all stock to be true-to-name and free of injurious insects or disease. All goods travel at consignee's risk; we assume no responsibility after they leave the nursery. It is mutually agreed that in no case shall we be held liable for a greater amount than the purchase price of any item.

**SHIPMENTS.** Please state routing of your shipments and method you prefer. Where no instructions are given, we will ship according to the situation, as we think best serves your interest.

## Prices for Boxing and Packing

	Per Ft. over 6 Feet	Per ft. 6 Feet and Less	If Paper Lined, add 10%. Small Boxes, 50c to \$1.50 according to size.

			<b>BALES</b>
			Minimum Charge ----- \$0.75

## TRUCKING

During planting season we make several deliveries weekly to Cleveland and vicinity and frequent deliveries to other cities within 400 miles of Painesville. Rates reasonable.

# Shade and Ornamental Trees

Cole's has long been known for producing the finest in trees for all markets. Continuous research for improved varieties and production methods has resulted in our present leadership in this field. Planted in seven-foot rows, our trees have ample room for proper development of root, body and top. Because all digging and root-pruning is done mechanically, you benefit by a vastly superior root-system and consequent transplanting success.

## NOTES

The size immediately following the name indicates approximate height at maturity, in cultivation.

Where an item is usually moved with a ball of earth, we indicate the recommended B&B size after the listing, thusly: [4 to 5 ft. 15" Ball] and the price includes balling charges. Should earth balls be desired on other items, prices and weights are listed on page 40.

Although caliper listings of trees are also indicative of top development, we imply no relationship of this measurement to height. This is entirely subject to differences in variety and cultural practices.

	1-4 Each	5-24 Each	25 Up Each
<b>ACER dasycarpum (saccharinum)—70'</b>	Silver Maple		
Fast growing, graceful. Leaves silvery beneath. Stands rather wet conditions.			
6 to 8'	\$ 2.00	\$ 1.50	\$ 1.25

1-4 Each	5-24 Each	25 Up Each
-------------	--------------	---------------

**POPULUS—Continued*****nigra italicica* — 60'**

Lombardy Poplar

Tall, stately, narrow tree. Widely used for quick screens, accent points and backgrounds.

4 to 5'	\$ .55	\$ .40	\$ .30
5 to 6' (100 lots, 38c ea.)	.70	.55	.45
6 to 8'	1.25	.85	.65

***simoni fastigiata* — 40'**

Pyramidal Simon Poplar

Newer type, hardy and longer-lived. Pyramidal habit. Dark green, glossy, pear-shaped leaves.

5 to 6'	1.50	1.10	.90
6 to 8'	2.10	1.60	1.35
8 to 10'	2.50	2.00	1.75

**PRUNUS cerasifera Thundercloud — 20'** Thundercloud Purple Plum

Dense tree; foliage deep solid purple all season. Rosy-pink flowers as leaves unfold.

3 to 4'	1.55	1.30	1.15
4 to 5'	2.15	1.65	1.40
6 to 7'	2.50	2.10	1.85

***serrulata Amanogawa* — 20'**

Hitoeye Flowering Cherry

Very narrow, fastigiate form. Masses of large, fragrant semi-double pink flowers early spring. Transplanted, spaced plants.

5 to 6'	5.00	4.40	4.00
6 to 7'	6.75	6.00	5.50
1½ to 1½" (20" Ball)	14.00	12.70	---

**s. *Kwanzan* (sekiyama) — 25'**

Double Flowering Cherry

Most satisfactory variety in our climate. Double, deep rich pink flowers. Fairly rapid growth.

5 to 6'	3.25	2.75	2.50
6 to 8'	6.20	5.50	---

***subhirtella pendula* — 10'**

Weeping Japanese Cherry

Double Flowering.

Single Flowering.

No. 1 head, 5 to 6' (Spring only)	5.75	5.25	---
-----------------------------------	------	------	-----

**PTEROSTYRAX hispida — 40'**

Fragrant Epaulette Tree

Interesting, rare tree with open head, slender spreading branches. Outstanding creamy white, fragrant flowers in long pendulous panicles, June. Prefers moist, but well-drained soil.

3 to 4'	2.75	2.25	2.00
4 to 5'	3.25	2.75	2.50

For your convenience, we have listed prices and weights of earth balls on page 40. Recommendations and prices are based on accurate records kept for many years.

# Needle Evergreens

Cole's evergreens are properly spaced and sheared to produce dense, symmetrical, colorful specimens. Our light soils produce a naturally fibrous root system that assures successful transplanting.

Prices include a definitely superior job of balling, burlapping and securely rope-tying roots.

Approximate ball sizes are given for your guidance in estimating shipping weights. See inside back cover for ball weights.

## New "SUNBURST" Locust

Plant Patent No. 1313

---

A sure-fire seller for mail order catalogs and sales lots. Sunburst's tremendous appeal comes not only from its brilliant golden-bronze foliage, it is also a **good** tree!

- Completely free of thorns.
- Has flowered heavily for several years without seeding.
- Resistant to insects and disease.
- Excellent spreading branching habit; symmetrical and broadly pyramidal head.
- Bright golden-bronze coloring is limited to 8 to 10 inches of branch tips; rest is deep green.

Let "Sunburst" lead your profit list. New, **lower price** schedule in preparation for 1955-'56 season. Advance orders from responsible parties are welcomed. Bookings subject to your price acceptance when established.
